Subject: Price Canyon application for Safe Drinking Water Act exemption

Dear George

My name is Ex. 6 - Personal Privacy and I live Ex. 6 - Personal Privacy which is down from the oil fields about 1 1/2 to 2 miles.

For years I have been experiencing an oil slick on my well water. I am afraid to drink it myself. Since I grow my own food and have livestock I am concerned about Freeport McMoRan getting an exemption from the Safe Drinking Water Act which will lead to more pollution of my and my neighbor's precious water source.

I oppose any exemption and believe they should be held accountable for the amounts of water already contaminated and made to stop any further pollution.

Respectfully,

Ex. 6 - Personal Privacy
